

Join us on September 28th, 2013 12pm-8pm @ the Islandia, NY Marriott

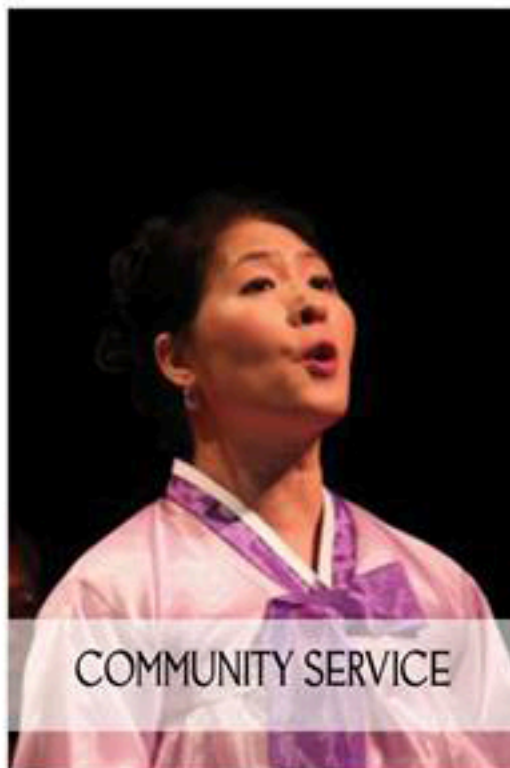

This year we are celebrating 5 years of empowering & inspiring women.

Women of Honor - Gaia's Essence Women's Wellness Conference (GEWWC) was created to empower, educate and inspire women on finding their own paths to wellness. The "Women of Honor" award was created to recognize women who exemplify leadership and promote health and wellness in their communities. This year we have selected three amazing women in our community to be honored at our first GEWWC 2013 Women of Honor Award.
